

PROJECT REPORT ON

Online Project Management System
(UNDER THE PARTIAL FULFILLMENT OF THE
UNIVERSITY FOR COURSE OF T.Y.BSC
COMPUTER SCIENCE)

SUBMITTED BY:
MR.Sanad Soman

GUIDED BY:
Ms.Bhumika Nakum

DEPARTMENT OF COMPUTER SCIENCE
PARLE TILAK VIDYALAYA ASSOCIATION'S
MULUND COLLEGE OF COMMERCE S.N.ROAD,
MULUND (WEST), MUMBAI-80
UNIVERSITY OF MUMBAI 2020-2021

Online Project Management system

ACKNOWLEDGEMENT

I have a great pleasure in representing this project report entitled “**PROJECT NAME**” and I grab this opportunity to convey my immense regards towards all the distinguished people who have their valuable contribution in the hour of need.

I like to extend my gratitude to our beloved Principal **Dr. SONALI PEDNEKAR** for her timely and prestigious guidance.

I take this opportunity to thank **Prof. Mrs. REENA SHAH**, Coordinator of the Department and all the professors of the Department of Computer Science of Mulund College Of Commerce, for giving me an opportunity to complete this project and the most needed guidance throughout the duration of the Programme.

I am extremely grateful to my project guide **Ms.Bhumika Nakum** for her valuable guidance and necessary support during each phase of the project. She was the source of continuous encouragement as each milestone was crossed.

A special thanks to the University Of Mumbai for having prescribed this project work to me as a part of the academic requirement in the Final year of Bachelor of Science in Computer Science.

Finally, I also owe to my fellow friends who have been a constant source of help to solve the problems that cropped up during the project development process.

Sanad Soman

1.TITLE

Online Project Management System

Type:Website Application

Developed By:Sanad Soman

2.INTRODUCTION

2.1 Objective of the project:

- To provide an online environment where students and teachers can interact regarding the projects submitted by the student.
- The students can submit the project from anywhere without much efforts.
- To make the projects made by students available to the students by allowing them to download the project.
- To reduce the paper work and provide a step by step approach for submitting the projects by made students.

2.2 Description of The Current System:

- The current system needs high amount of human work to process the projects submitted by the students
- Also the current system needs human interaction to create groups of teachers and students
- The teachers can accept and reject the projects from anywhere and anytime unlike the current system the teacher needs to be physically present in college to evaluate the project.

2.3 Limitations Of Current System:

The limitations of current system:

- Time consuming
- Data Loss May Occur
- Paperwork Required

2.4 Description of Proposed system:

- The proposed system can overcome all the problems of the current system.
- In the proposed system the user will just need to login by setting up the credentials from the link provided in the official mail id.
- Once the Account setup is completed the student can upload the project if the idea gets accepted by the respective group teacher.

2.5 Advantages of Proposed System:

- Reduced Time Consumption
- Prevents Data Loss

3.Requirement Specification

3.1 Software Requirement:

- Operating System – Microsoft Windows 2010
- Application Software –

Front end: HTML, CSS,JS,JQUERY

Back end: PHP, SQL

3.2 Hardware Requirement

- Processor - 1.6 GHz
- RAM - 4GB or more
- Disk Space – 3 GB or less

3.3 Data Requirement:

- Username
- UserId
- Email-ID
- Mobile Number

3.4 Fact Finding Questions:

- Will it have any future Scope?
- What is the need of online project management system?
- What are the hardware and software requirements required for this project?

4.System Design Details**4.1 Event Table:**

SrNo.	Events	Trigger	Source	Activity	Response	Destination
1	login	btn-1	Student,teacher,admin	login	Sucessful then redirected to student module	Studentmodule.php,teachermodule.php,rootadminmodule.php/adminmodule.php
2	Forget password	Forget-password1	Student,teacher	Forget password	Sucessful then password will be reset and unsuccessful then redirected to login page	StudLogSign.php,teaclogsign.php
3	View Project	Vtbutton	Student	Student can view the progress of their project and upload project	Redirects to view project page	Viewproject.php
4	Create Project	Cpbutton	Student	Student can create the project by specifying the details of project.	If successful then redirected to student module unsuccessful then errors will be displayed	Studentmodule.php
5	Details	Outer-details	Student,teachers,admins	Student/teachers/admins can view the details of their account	Displays details of students/teachers/admins	Student module.php,teachermodule.php,rootadminmodule.php,adminmodule.php
6	Manage and update your accounts	Outer-updateaccname	Student,teacher,admins	Student/teacher,admins can update the details.	Students/teachers/admins can edit their details on this page.	AccountSettings.php

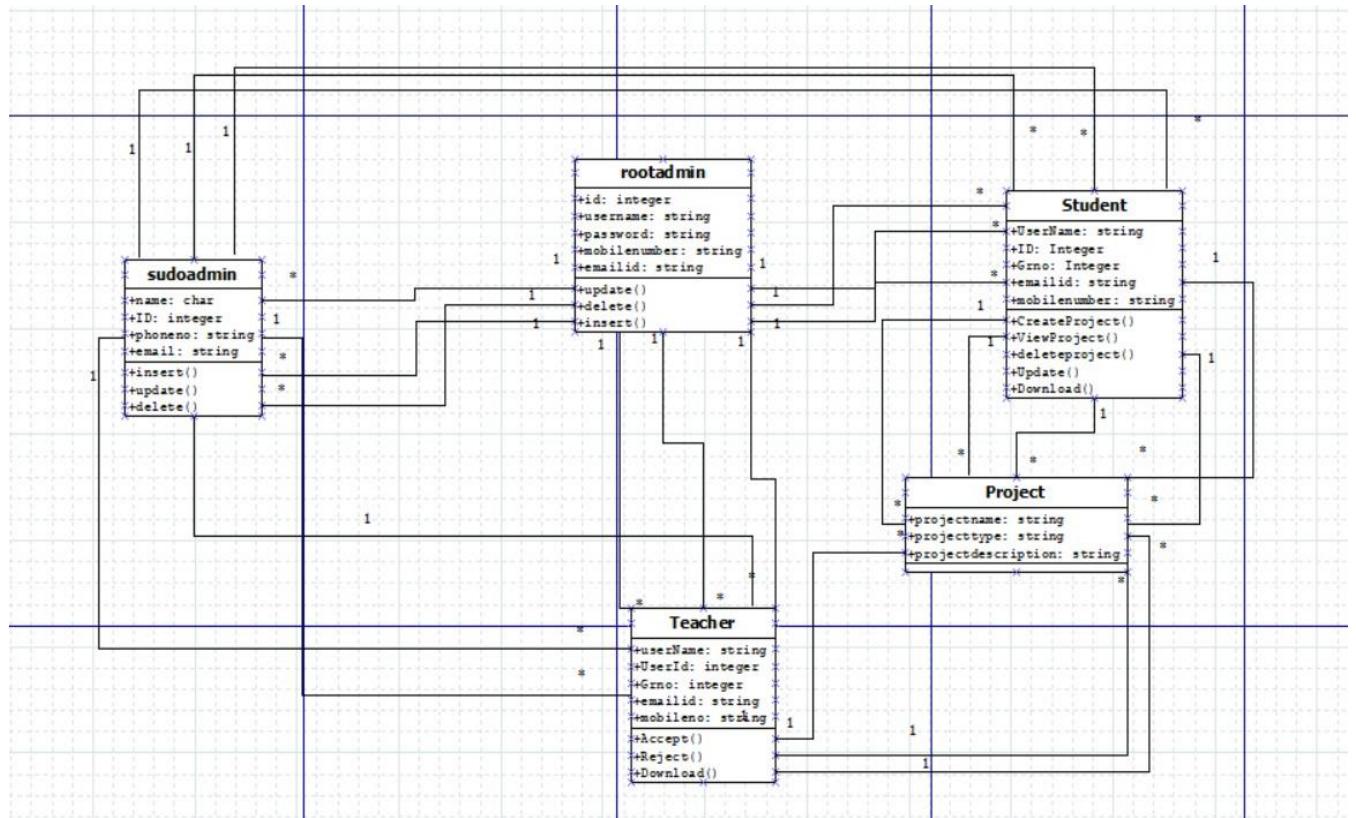

Online Project Management system

7	Logout	Logout	Student,teacher	Logout	Successful then redirects to login page.	StudLogSign.php,teaclogsign.php
8	Myproject	nbitem2	Student	Displays the details of the students projects and also delete the account	Successful then details of projects can be edited or the account can be deleted	Myproject.php
9	Deactivateyour account	deactaccbutton	Student,teacher,admin	Deletes/deactivates the account	Successful then redirected to login page	Studlogsign.php,teaclogsign.php,adminmodule.php
10	SaveChanges	assavechangesbtn	Student,teacher,admin	Will help to save changes if any details of student needs to be updated.	Successful then redirected to same page	accsettings.php
11	resetpassword	cpresetpassword	Student,teacher,admin	Resets the password from the account	If successful then redirected to login page	Studlogsign.php,teaclogsign.php,rootadminmodule.php,adminmodule.php
12	download	tmdownloadbtn	Teacher	Downloads the project for the particular stage specified by the dropdown	If successful then downloads the file	Teachermodule.php
13	Approved	Tmcorrect	Teacher	Used by teacher to approve the project.	If successful then the project status of the specified stage will be updated as approved in database	TeacherModule.php
14	Rejected	Tmquit	Teacher	Used by teacher to reject the project	If successful then project will be rejected and the student has to reupload the project	Teachermodule.php
15	Searchbox	tmsearchtextfield	Teacher	Used by teacher to search records	If successful then the relative	TeacherModule.php

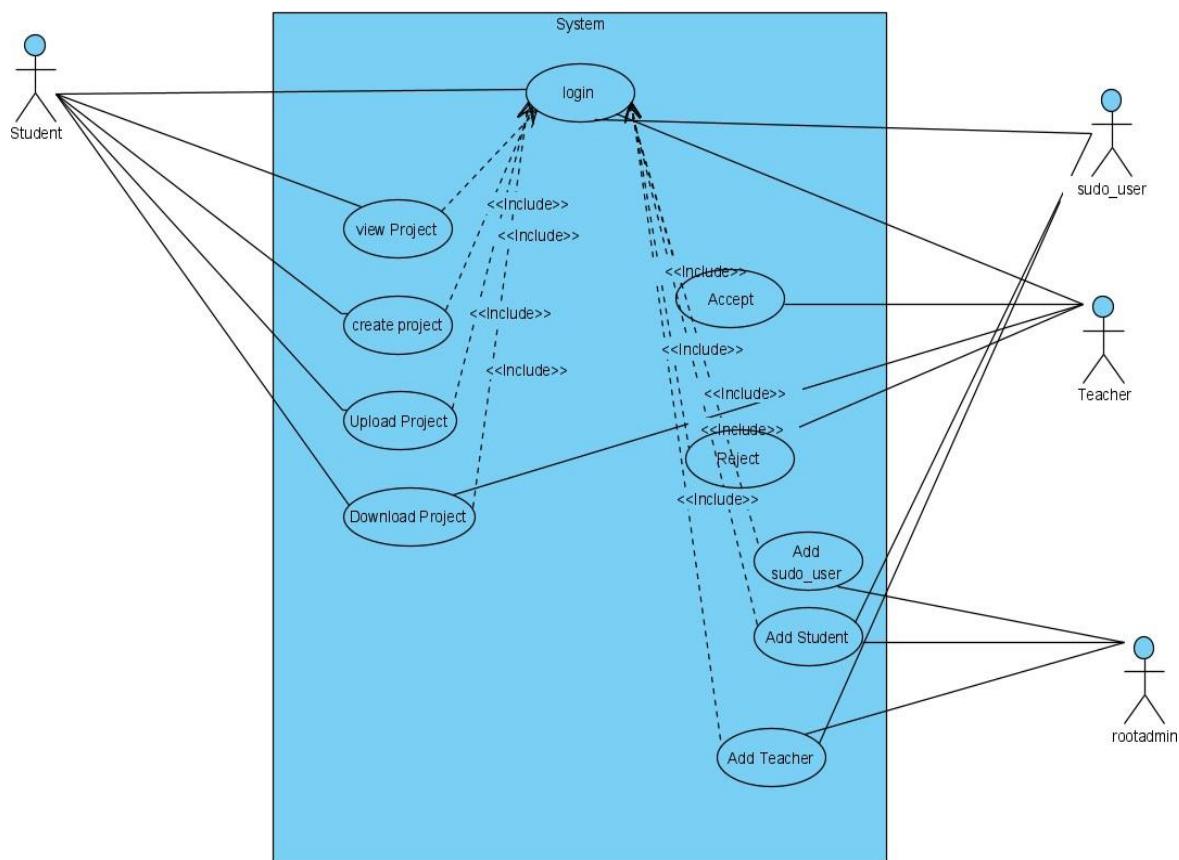

Online Project Management system

				based on specified inputs	records will be displayed in a pagination table	
16	AddAdmin	Add	rootadmin	Adds an admin one at a time	If successful then admin will be added and an email containing link for password settings will be sent to registered admin	AddAdmin.php
17	Delete	deletedata	Rootadmin.php	Deletes all records	If successful deletes all records in admin table except root admin	Rootadminmodule.php
18	Edit	myedit	Rootadmin,admin	Edits the data	If successful then edited data will be displayed in the pagination table else errors will be shown for repeating email and mobile number	Rootadminmodule.php,adminmodule.php
19	delete	Mydelete	Rootadmin,admin	Deletes the data	If successful then deletes the data	Rootadminmodule.php,adminmodule.php
20	signout	Passive5	Rootadmin,admin	Logsout the admins	Successful then logged out	Adminlogin.php

6.Result:**6.1 Validation and Naming Conventions:**

Sr.NO	Control ID	Validation Used	Reason
1	User_id1	Required field Validator	Userid cannot be Empty
2	Pass_word1	RequiredField Validator	Password Cannot be Empty
3	UserName_TextBox	Required Field Validator, String Validator	Username should be a string and cannot be Empty
4	PinNumber_TextBox	Required Field, Numeric Validator	Phone Number Cannot be Empty
5	EmailId_TextBox	Required Field, Email validator	Email id cannot be Empty and should match with semantics of email id

6.2 Screenshots:**6.2.1 Login Page:**

6.2.2 Admin Dashboard:

The screenshot shows the Admin Dashboard of the Project Management System. The left sidebar has a dark blue background with white icons and text for 'OPERATIONS' and 'PROJECT MANAGEMENT SYSTEM'. It includes links for 'ADMIN DETAILS', 'TEACHER DETAILS', 'STUDENT DETAILS', 'QUERIES / DOUBTS', 'PROJECT DATE', and 'SIGN OUT'. A notification icon in the top right corner shows '9'. The main area has a dark blue header with a search bar and a '+' button. Below it, a message says 'Showing 5 Entries'. A modal window titled 'All Persons List' displays the 'Admin Details Table' with two rows of data. The table columns are: Sr_No., Admin Name, Admin Type, Email Id, Mobile No, Account Status, and Actions. The first row has Sr_No. 1, Admin Name 'raj yadav', Admin Type 'sudo_user', Email Id 'sanad03052000@gmail.com', Mobile No '8775421396', Account Status 'Active', and Actions (edit and delete). The second row has Sr_No. 2, Admin Name 'sanad soman', Admin Type 'sudo_user', Email Id 'sanadsoman871@gmail.com', Mobile No '8773542197', Account Status 'Active', and Actions (edit and delete). A page number '1' is at the bottom of the modal.

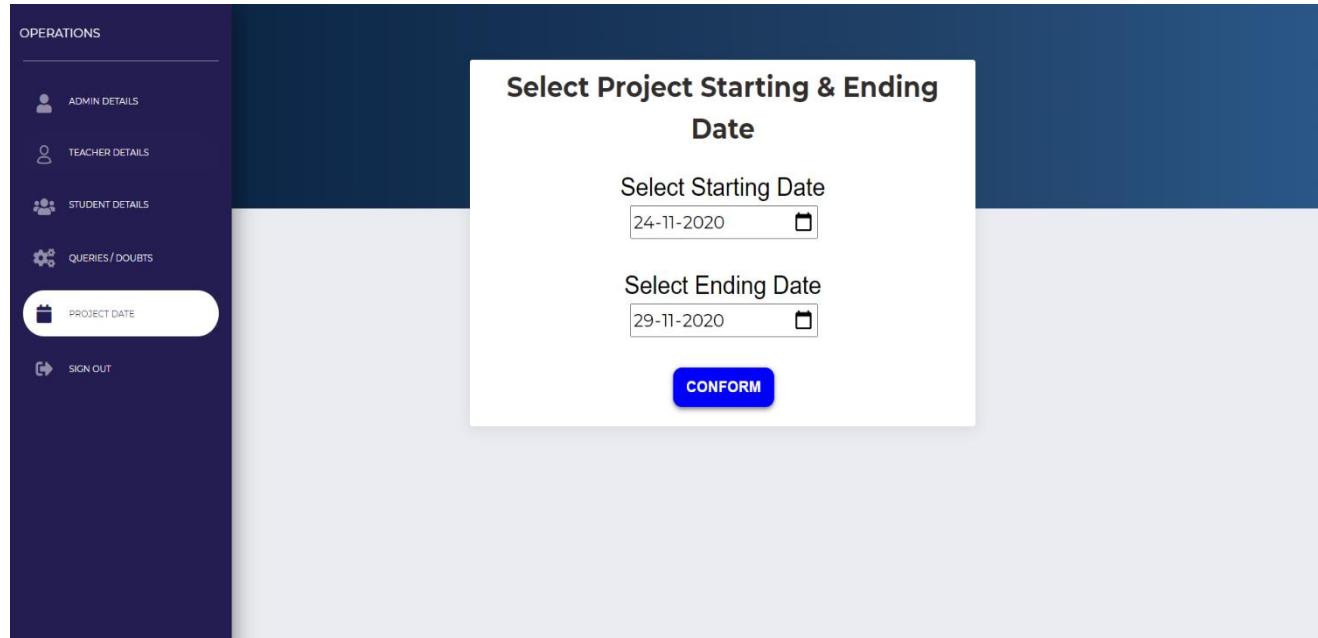

Sr_No.	Admin Name	Admin Type	Email Id	Mobile No	Account Status	Actions
1	raj yadav	sudo_user	sanad03052000@gmail.com	8775421396	Active	
2	sanad soman	sudo_user	sanadsoman871@gmail.com	8773542197	Active	

6.2.3 StudentDetails:

The screenshot shows the Student Details Table in the Project Management System. The left sidebar has a dark blue background with white icons and text for 'OPERATIONS' and 'PROJECT MANAGEMENT SYSTEM'. It includes links for 'ADMIN DETAILS', 'TEACHER DETAILS', 'STUDENT DETAILS', 'QUERIES / DOUBTS', 'PROJECT DATE', and 'SIGN OUT'. A notification icon in the top right corner shows '9'. The main area has a dark blue header with a search bar and a '+' button. Below it, a message says 'Showing 5 Entries'. A modal window titled 'All Persons List' displays the 'Student Details Table' with five rows of data. The table columns are: Sr_No., Student Name, Email Id, Mobile No, Group Id, and Account Status. The rows are: 1. SANAD SOMAN, sanad871@gmail.com, 8831432134, A, Active; 2. AGRE HRUTIK, hrutik208602@gmail.com, 8831432322, A, InActive; 3. AGRE NINAD, ninad208603@gmail.com, 7718931345, A, InActive; 4. AGRE SACAR, sagar20604@gmail.com, 7718931257, A, InActive; 5. ANERAO RUTHIK, ruthik208605@gmail.com, 7718931234, A, InActive. A page navigation bar at the bottom of the modal shows pages 1, 2, 3, Next, and Last.

Sr_No.	Student Name	Email Id	Mobile No	Group Id	Account Status
1	SANAD SOMAN	sanad871@gmail.com	8831432134	A	Active
2	AGRE HRUTIK	hrutik208602@gmail.com	8831432322	A	InActive
3	AGRE NINAD	ninad208603@gmail.com	7718931345	A	InActive
4	AGRE SACAR	sagar20604@gmail.com	7718931257	A	InActive
5	ANERAO RUTHIK	ruthik208605@gmail.com	7718931234	A	InActive

6.2.4 Project starting and Ending Date:

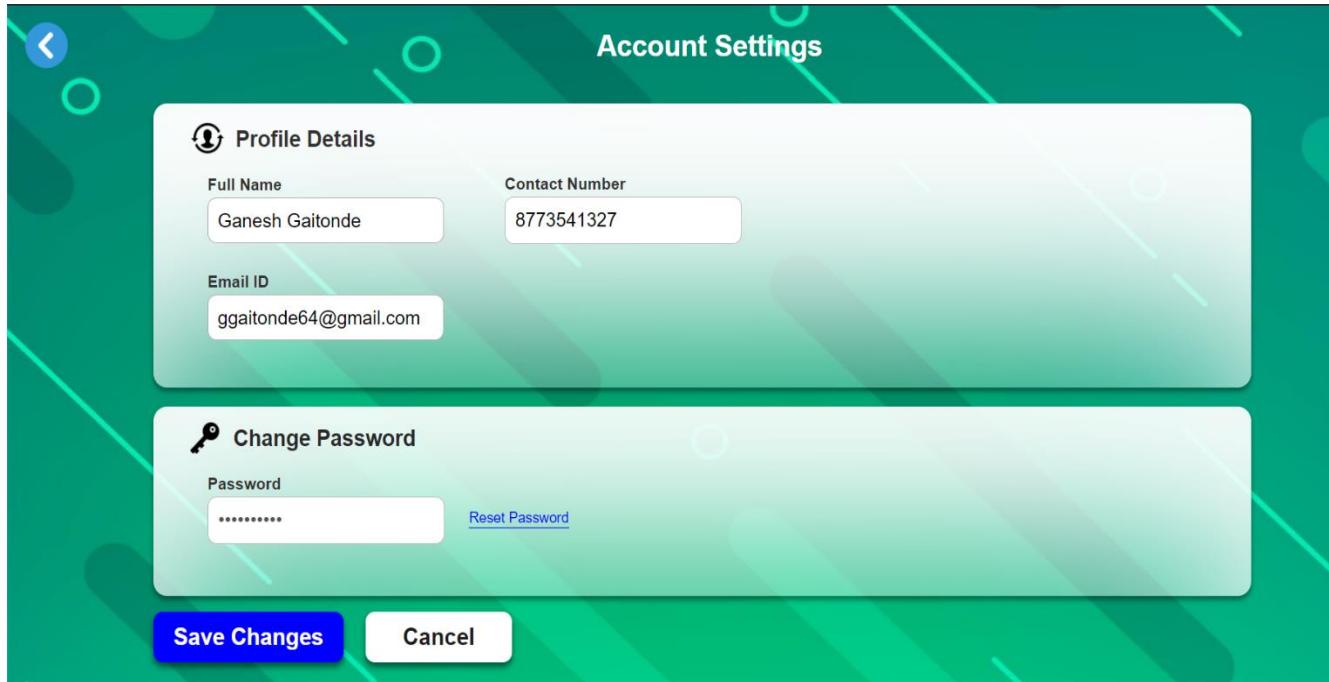

6.2.5 Details:

The screenshot shows a card titled 'Details' with an 'X' icon in the top right corner. It displays five pieces of information in separate input fields:

- Username: Ganesh Gaitonde
- Admin ID: 208111
- Admin Type: root
- Email ID: ggaitonde64@gmail.com
- Phone Number: 8773541327

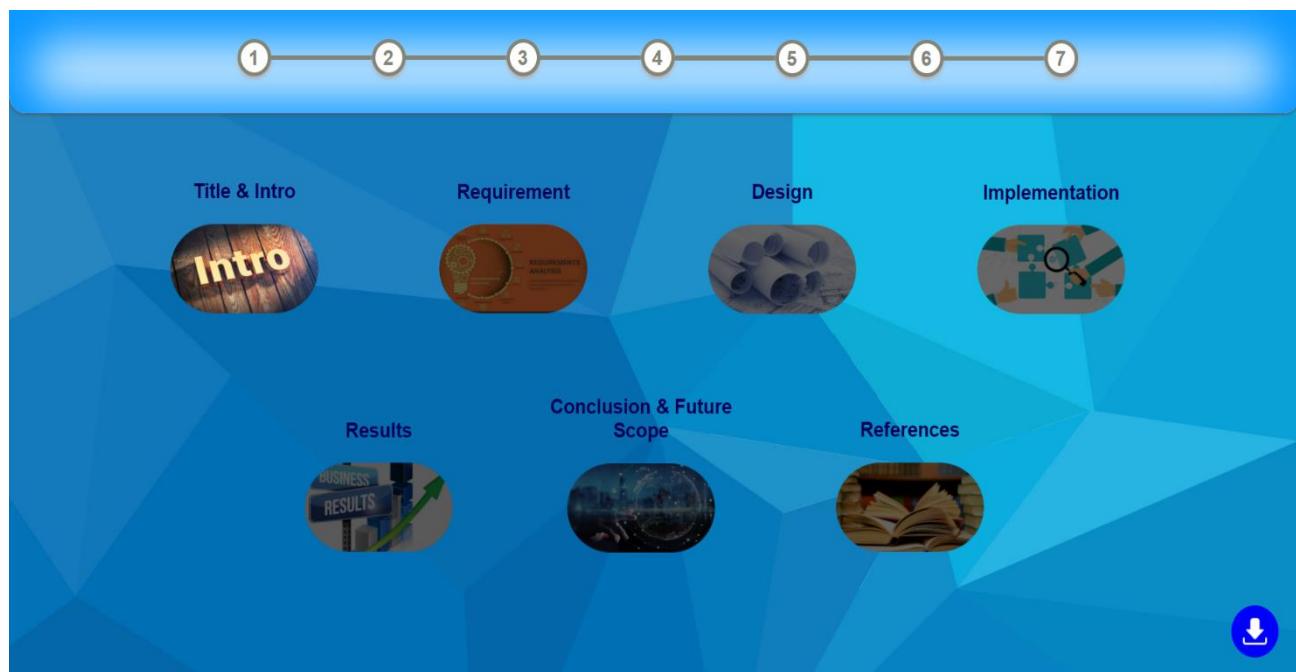

6.2.6 Account Settings:

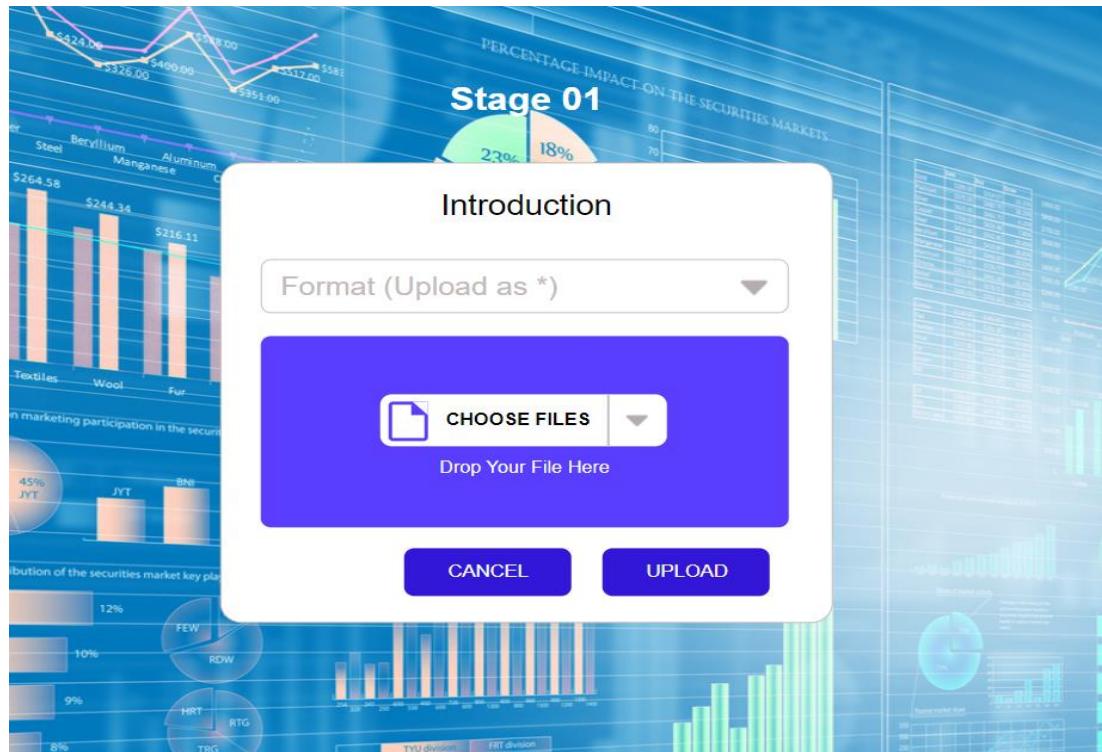

6.2.7 Student Module:

The screenshot shows the 'Student Module' interface with a dark blue header featuring navigation links: Home, My Project, About Us, and FAQs. A user profile icon is in the top right. Below the header, there's an 'Alert in...' notification with a cloud icon. The main content area has two sections: 'View My Project' (with placeholder text 'View Your Project Here...') and 'Create New Project' (with placeholder text 'Create Your New Project Here...'). Both sections have large blue 'VIEW PROJECT' and 'CREATE PROJECT' buttons respectively.

ABOUT US

**Who We Are**
As we know that our Indian government has started the digital India programme.....

**What We Want**
This website is specially designed for the students with aim of digitalising the pro.....

**What We Will Achieve**
The website also uses a step by step approach to make the process of generating a b.....

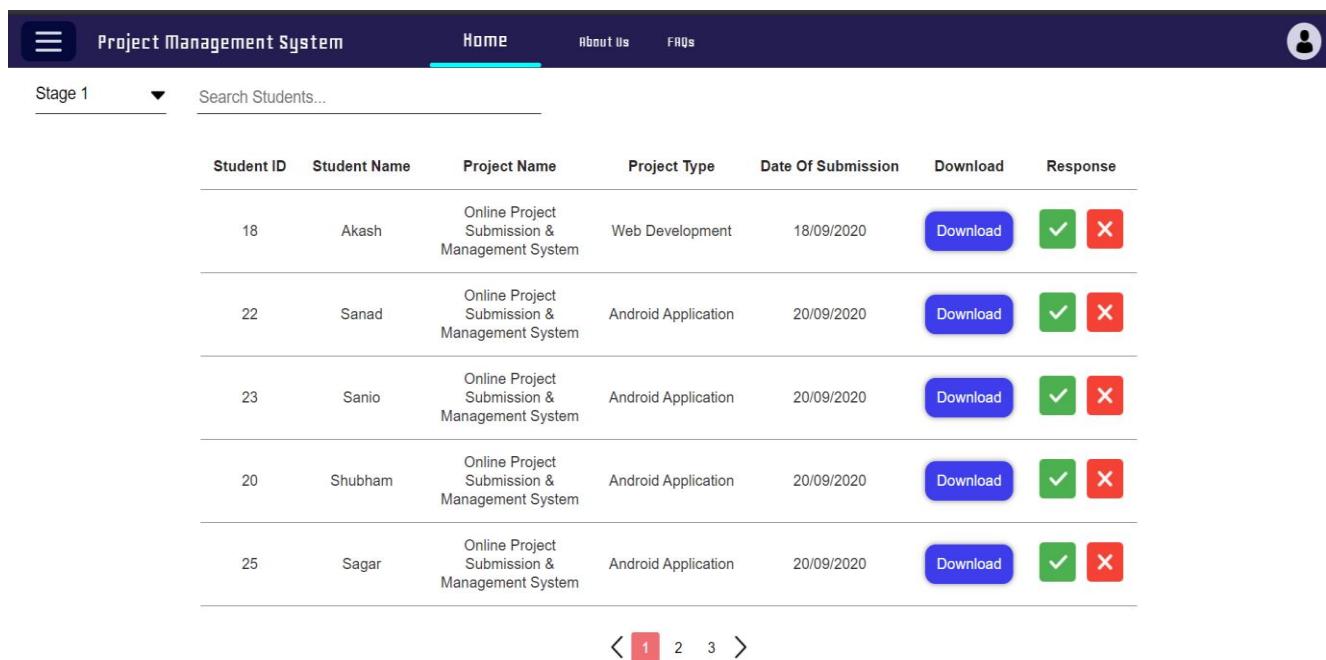

6.2.12 Faq's:

The screenshot shows the 'FAQs' page of a web application. At the top, there is a navigation bar with links for 'Home', 'My Project', 'About Us', and 'FAQs'. The 'FAQs' link is underlined, indicating it is the current page. Below the navigation bar is a large, stylized title 'FAQs' in white, set against a dark background with a 3D puzzle-piece texture. A large orange question mark is positioned below the title. The text 'How can we help you?' is centered in front of the question mark. Below this, there is a list of three frequently asked questions, each preceded by a right-pointing arrow:

- > How to upload the file in the website ?
- > How to change the account details of my profile ?
- > Is there any ways to download / retrieve the uploaded files from the website ?

6.2.13 TeacherModule:

The screenshot shows the 'TeacherModule' section of the web application. At the top, there is a navigation bar with links for 'Home', 'About Us', and 'FAQs'. The 'Home' link is underlined, indicating it is the current page. Below the navigation bar is a search bar with the placeholder 'Search Students...'. The main content area displays a table of student projects. The table has the following columns:

Student ID	Student Name	Project Name	Project Type	Date Of Submission	Download	Response	
18	Akash	Online Project Submission & Management System	Web Development	18/09/2020	<button>Download</button>		
22	Sanad	Online Project Submission & Management System	Android Application	20/09/2020	<button>Download</button>		
23	Sanio	Online Project Submission & Management System	Android Application	20/09/2020	<button>Download</button>

7.Conclusion And Future Scope

7.1 Future Enhancement:

- In Future a chat application may be integrated into this website through which students and teachers can communicate with each other.
- In the future the user (student/teacher) can preview the file before downloading/uploading the files .
- In the future a well defined report system will be introduced through which users can report any malicious activity /action.In return the student will get a ticket that will be identified by its unique ticket number.
- Through the ticket the user will get to know about the admin details as admin name who will be managing the issues posted by the user and the user will get a live tracking of the issue being resolved.

7.2 Conclusion:

- Online Project Management System will facilitate students to upload their files from anywhere and anytime.
- Online project Management System automatically divides students into groups assigns them a unique group id based on number of teachers.
- Online Project Management System provides stages for uploading files.
